4 Bedroom House For Sale in Lambton,
Lambton

It's A Lifestyle!

The market is booming for South Africa as a whole. There has never been better time to buy in this beautiful market space. Don't you really think this is the best time to invest your money where it is and will be worth over the years?

Now I have got this 4 bedroom house with 2 flatlets in the same piece of land of plus minus 2464 square meter. The house is...
